SUPPLY LIST 2010-2011

Dear Parents:

The following is a list of supplies that we need you to bring each child you have enrolled in the school. You will notice that each class has a slightly different list. The items that you bring will be stored in the classroom for use by all the students. Your child will not necessarily use the exact item that you purchase. If during the year supplies run low in your child's class on a particular item you may be asked to buy more supplies. However, we try to anticipate the needs of each classroom as closely as we can. Thank you!
